### Cranna: First Public Forum a Success

*Tivoli...* Village of Tivoli Deputy Mayor Bryan F. Cranna is calling his first public forum a success. The forum took place Thursday evening in the community room of Provoost Park, a senior living residence in Tivoli. Cranna updated residents on current and future projects that the village is taking, as well as took input and suggestions from village residents.

Cranna stated, "Tonight's forum was a success and I am very pleased with the number of Tivoli residents that attended. With close to twenty people in the audience this evening, there was a great conversation about the direction that Tivoli is taking."

Cranna concluded by saying, "As I seek a third term to the Village of Tivoli Board of Trustees, it is essential that I hear first hand from residents about their concerns, and their opinion of my performance as their voice in village government."

A second public forum will take place in March at the Village Hall. A date and time will be announced shortly.
